

Australian Government

PARTNERSHIP SCHOOLS – SCHOOL PLAN

School: Carey Baptist College

Year: 2011

The purpose of this School Plan is to document the improvement work supported by the National Partnership Agreement on Literacy and Numeracy.

Funding provided by the Commonwealth Government through the Smarter Schools National Partnerships is complemented by co-investment by the Western Australian education sectors and schools. Together, this funding is designed to build the capacity of Western Australian schools to contribute to the achievement of the following high level outcomes:

- (a) all children are engaged in and benefiting from schooling;
- (b) young people are meeting basic literacy and numeracy standards, and overall levels of literacy and numeracy achievement are improving;
- (c) Australian students excel by international standards;
- (d) schooling promotes the social inclusion and reduces the educational disadvantage of children, especially Indigenous children; and
- (e) young people make a successful transition from school to work and further study.

National Partnership	Literacy and Numeracy
Commonwealth Funding allocated	\$24 604
AISWA and School co-investment	\$24 604
Initiatives/activities for 2011	Effective and evidence-based teaching <ul style="list-style-type: none"> • Support by a specialist numeracy teacher to identify effective teaching strategies and provide guidance to the teachers. Use and interpretation of data <ul style="list-style-type: none"> • The provision of professional learning in understanding and interpreting data; and in using this data to inform classroom programs. Differentiation <ul style="list-style-type: none"> • Support by a specialist literacy/numeracy teacher in implementing differentiation in the classroom.

Assessment

- The provision of professional learning in helping teachers to understand the requirements of NAPLAN assessment, and in embedding strategies that lead to sustained improvement in student achievement.
